

# Club Check Gold Award

November 10, 2010

The President  
Silverstream Bowling Club  
37 Dunns Street  
Silverstream  
UPPER HUTT

Dear Mr President

## Congratulations to Your Club on Achieving a Bowls New Zealand Club Check Gold Award

This is Bowls New Zealand's highest recognition of club operating excellence and reflects a superior level of planning, organisation, leadership and best-practice systems development and implementation.

The standard required to achieve a Gold Award has been set high to encourage clubs to focus on achieving excellence in every aspect of their operations. While many clubs do a lot of things well, it takes a special club – like Silverstream – to demonstrate the vision and determination to improve and succeed that results in a Gold Award.

Silverstream's performance has been independently assessed against recognised club management best practice and this award establishes your club among an elite group as one of the best managed clubs in New Zealand. As such, it is an achievement your club can be rightly proud of.

Your Gold Award remains valid for two years, effective from the date on your certificate. During that time you may use the Club Check Gold Award logo on your official stationery.

On behalf of Bowls New Zealand, I thank you for being such a positive role model for other clubs and encourage you to keep up the good work. As always, we are here to help you build on this success and to help you as you strive for even more successes in the future.

Yours sincerely
