

LETTER AND ENTRY FORM

24 January 2019

To the Secretaries of all Wellington and Hutt Valley Bowling Clubs

Dear Secretary,

Silverstream Invitation First Year Singles

Silverstream Bowling Club would appreciate you bringing the attached invitation to the attention of all your first year bowlers. This annual competition (for which there is no entry fee) has proved to be a popular event with the participants, often providing them with their first opportunity to play singles against players of other clubs.

If any of your first year players would like to compete in our competition, please ask them to complete one of the attached entry forms and return it to:

Silverstream Bowling Club, PO Box 48-037 or [email to: secretary @silverstream.co.nz](mailto:secretary@silverstream.co.nz)

In the first instance we will accept one player from each club and if there are any vacancies it will then be opened up to other first year players.

(One entry form per player nominated please)

We invite a supporter from each club to accompany the players. In the past players have appreciated support from their own club and we appreciate offers to assist with the marking. If you have a supporter willing to mark, please ask them to contact **Ray Wall on 528-3500**.

We look forward to seeing your first year players at our Club.

Many thanks

Ray Wall
