

Silverstream Bowls and Petanque

Vaccination Certificate Policy

22nd November 2021

Silverstream Bowls and Petanque prides itself on being an organisation that puts the health and safety of our community first by encouraging our members to be fully vaccinated against COVID-19, so that we can reduce the risk of exposure and transmission of COVID-19. It is important that we provide our members (and visitors) with a safe environment, in which they can play bowls and enjoy our company. A safe community is a COVID-19-free community, and currently the best protection against spreading COVID-19 is vaccination.

As a condition of entry to our bowling, petanque and social events, **anyone** that enters our clubhouse, grounds or events aged 12 years and over must:

agree to provide written or electronic evidence of their COVID-19 vaccination certificate to the Silverstream Bowls and Petanque representative, on request.

Variations to this condition of entry:

1. Evidence of a COVID-19 vaccination received other than in New Zealand will be accepted if the evidence is standard in the relevant country, and it has been accepted by the Ministry of Health.
2. A vaccination exemption has been granted by the Ministry of Health.

Silverstream Bowls and Petanque reserves the right to restate its position as we learn and understand more about how New Zealand manages the fight against COVID-19 in our communities. This policy will be effective from the implementation of the Traffic Light System and will be reviewed again no later than 30th April 2022.
