SILVERSTREAM
BOWLS & PETANQUE

October Newsletter

Season 26/27

We've had a busy start to the season but before we get into bowls news, let's take a look at the great work going on at our club. A big shout out to everyone involved, with special thanks for the generous support from our sponsors! See below

Thanks to Steve Rickman and John Lee going to great heights to keep the Silverstream flag flying. When the rains came, Peter Alsop joined Steve and John to clear the green.

There are many great volunteers who give their time, it's hard to mention them all but their efforts are truly appreciated.

The inside of the clubroom is looking spectacular! The illuminated trophy cabinet comes courtesy of **Team Ledger** sponsorship, with Paul Smith providing the design and Panda Furniture crafting the final result. **The Lions Foundation Charitable Trust** provided the sponsorship for the wonderful new carpet. Many thanks for the support!

Pre-Season Interclub fixtures took place in perfect weather! The Silverstream men's team fought hard in the Gough Shield and Banner competitions with the Silverstream women's team faced up to Stokes Valley, Masterton and Naenae teams.

Sunday	29	Club Champ Fours

The Plimmerton Pre-Season event is always a good day on the green but this year it was extra special. Silverstream was proud to join Plimmerton in their 100th year celebrations. The sun shone, the bowls were great and the social gathering afterwards was excellent. The food was amazing, exceeded only by the great singing !

It wasn't only the bowlers who were out having fun, our friends from the Petanque club were also making the most of the beautiful weather.
