Season 26/27
Opening Edition

The new season opening event was well attended and the mood reflected the excitement of the start of a new season of bowls and petanque. Upper Hutt Mayor Peri Zee and Bowls Wellington member Jordan Todd, officially opened our 2026/27 season with the first bowl and boule delivered. We appreciate their support in marking the occasion.

We didn't waste any time getting things started with a get together for the ladies on Saturday morning where we welcomed our new members and had a training session lead by Kennie Critchlow. Thank you Kennie for giving up your time! In the afternoon our Pro Pairs competition got underway. Sixteen teams went head to head across three games. It was a hard fought battle!!

Congratulations to the top three teams.

- 1st: Tim Dawson & Richard Marsden**
- 2nd: Marshall Wray & Steve Crowhurst**
- 3rd: Simon Kenny & Denise Goldsmith.**

Thanks to everyone involved in making the day so enjoyable.

Boosting BioDiversity: Trapline Partnership.

We are excited to announce that we will be working alongside local groups like Pest Free Upper Hutt and Silverstream School Trappers around our grounds. This initiative will help ensure we continue to enjoy the beautiful birdsong around our club for years to come.

Partnering with Silverstream School is a fantastic way to plant seeds for the future and create broader community awareness about what our club offers.

End-of-year Christmas Party

Saturday December 19th

Save the Day

Only 104 days until Christmas !
The social committee has set the date for our Christmas party. It's time to add it to your calendar.

The social committee has set the date for our Christmas party! With the new season underway, the committee would love to hear what types of events members are interested in attending. Better yet, if anyone would like to help develop and deliver opportunities to get together outside of our usual sports activities, please contact Sue Critchlow to help bring events to life this season.
